## Somervale Ladies Rounders League Rules

Rounders England rules apply, with the following inclusions and exceptions:

1. The game will consist of two innings of twenty minutes per side.

2. All players must be registered with the league. Playing an unregistered player will result in the game being forfeit and a deduction of 3 points.

3. All equipment to comply with Rounders England standards. Bases must be of rubber, and posts must be wood. (Metal bases and plastic posts are NOT allowed) Appropriate attire should be worn by all players, with special attention paid to suitable footwear.

4. Players must be aged fourteen years and over, and for ladies league must be female.

5. Players cannot play after pregnancy is confirmed and are advised to not play if they suspect they may be pregnant.

Umpires may continue to umpire whilst pregnant but do so at their own risk. Umpires are reminded that they should be able to move around the pitch in order to umpire properly, if pregnancy impedes their ability to carry out the role, they should stand down as umpire. Any participation whilst pregnant is at your own risk.

The league will accept no responsibility

6. Points are awarded as follows: WIN = 3pts ; DRAW = 1pt

At the end of the season, and after all back matches have been played, in the event of a tie on points in a league situation, the winning team shall be determined as follows:

a) The team with the greatest rounders difference

b) The team with the most rounders scored

c) A play-off between the teams. (This will be repeated until a result is obtained)

7. Teams wishing to enter the league MUST be represented at the pre-season meeting. Non-attendance will result in your team not being registered. A Registration fee of £40 must be paid by the pre-season meeting. Failure to pay the fee will result in your team not being registered. New teams who are represented at the pre-season meeting will be given 7 days to pay their registration. All teams will be notified of proposed fixtures at least ten days prior to the beginning of the season.

8. Games can only be postponed due to poor playing conditions, NOT lack of players or qualified umpire.

a)

i) The home captain must cancel games by 6pm on the evening of the match if the weather or pitch is not suitable for play. We recommend cancellations are made by phone call NOT text message however if you have contacted the opposing team by text and not received acknowledgement before 6pm you MUST call the team to confirm cancellation.

ii) If the fixture is not cancelled before 6pm then both teams must travel to the match venue in a view to play the fixture.

iii) If a team does not turn up, or is unable to make a fixture, they will forfeit the match and the points. Please see rule 14

b) If the conditions deteriorate prior to a match starting at 7pm, it is the decision of both captains as to whether to play the fixture; the decision has to be made in agreement – if either captain refuses to play due to the failing conditions the match will not be played on health and safety grounds.

c)

If the conditions should change for the worse during a match, the game shall continue until the umpires deem otherwise.

Fifteen minutes should be allowed for conditions to improve. If they do not, the game shall be abandoned and the captains must re-arrange. It is the home captains responsibility to inform both the fixtures secretary and the webmaster of the cancelled game immediately, and the date of the re-arranged match as soon as possible thereafter. Failure to inform both the fixtures secretary and the webmaster of the cancelled game by 10pm will result in a £5 fine. The new game will start from the beginning; the score from the abandoned game will not count.

d)

- i) The home captain must inform both the fixtures secretary and the webmaster of any postponements
- ii) Postponed league matches must be played within 3 weeks of the last scheduled league match. The committee will decide allocation of points for un-played matches, but generally NO points will be awarded to either side.
- iii) Postponed plate/cup matches must be played by the Thursday prior to the next round; if this is not possible then the result will be determined by a coin toss. Please see rule 10 in the Knock out Cup Rules.

9. Registration Fees will be £40 per team. Registration fees are payable at the pre-season meeting.

League fees will be £10 per team, per scheduled match.

First half fees must be paid to the treasurer before the mid season 'meeting' or to the committee representative on the date of the mid season 'meeting' as stated in the handbook. Non payment of these fees by 9:30pm will result in a £5 fine.

Second half fees must be paid by the end of season meeting

NB Any team failing to pay their fees on time will receive a fine as well as a letter from the committee issuing a final warning.

If payment is still not received by the date given in the final warning letter, the team will have 3 points deducted and entry to the following season will be compromised.

Note 1. There are no fees for cup/plate matches

Note 2. All fees are to be paid directly to the treasurer. Payment by BACS is preferred.

10. Results cards are to be sent to the fixtures secretary, by the home captain, and should arrive no later than the following Monday. The full names of the scorers and umpires, as well as the date, should be written clearly and the card signed by both captains. Game results must be text to the web master within 1 hour of the end of the match and no later than 10pm. Non-compliance will result in a £5 fine.

11. Players must be registered to play. New players can be registered to play throughout the season by contacting the webmaster. Registration of new players must be requested by email or post, at least 24hrs before the new player can play. A written confirmation must be received from the webmaster before the player will be deemed as registered. If a team plays with a player who is not registered, the game will be forfeit and a further 3 points deducted. Any points awarded and rounders scored during the match in which an unregistered player was played, will be void. In the event of a cup/plate match, the game will be awarded to the opponents.

05

## 12. Transfers

Players can only transfer from one team to another, once. All transfers must be before the mid season 'meeting' date. If a player plays for one team in a plate or cup match, they cannot play for another team, in the same competition.

### 13. Substitutions

Players may only be changed at a dead ball situation. Once substituted, players may return during the game. Batters may only return as their original number. Bowlers may be changed at a dead ball situation. Any 'no balls' bowled by the out-going bowler will be credited to the new bowler.

14. A team failing to turn up for a match will forfeit the match and the 3 points will be awarded to the other team. "Failing to turn up" is deemed to mean if less than 6 players are present fifteen minutes after the scheduled start time. If at least 6 players from each team are present, then the game must start. The scheduled start time is 7pm unless both captains have mutually agreed otherwise.

If a game has been forfeited the team awarded 3 points will also be awarded rounders based on the average difference. Division 1 teams will receive 4 rounders, Division 2 teams will receive 5 rounders and Division 3 teams will receive 6 rounders.

15. If a team starts a game with less than 9 players, additional players may join the game at the next dead ball situation. This does not affect the substitution rules. Any joining batsperson must join the batting line at the bottom of the line-up.

16. Any disputes during the game must be settled by the umpires immediately. Only the team captains may appeal.

### **THE UMPIRES DECISION IS FINAL**

17. A team captain is responsible for their players AND their spectators behaviour. Harassment of umpires, swearing and verbal abuse in any form will not be tolerated and the umpires will give formal warnings to team captains. If any player is sent off they will automatically face a one match suspension applicable to the next league, cup or plate match. Umpires should report, in writing, any misconduct by players or spectators, to the Division rep, who in turn will communicate this to the committee, irrespective of whether action was taken during the match. It will be the committees decision as to what action is taken, if any, against offenders.

18. Any registered player or umpire can make a written complaint to the Division rep. Any written complaint received will be discussed by the committee at their earliest convenience, but within 21 days. Action will normally only be taken when there are two or more complaints of the same issue. If a letter received concerns a committee member or the team they play for, they will be obliged to stand down on that decision.

The committees decision is final

19. Waterproof balls, as supplied by the league, shall be used for matches at all times and no substitutes will be acceptable. Spare balls are available at market price, from the treasurer.

### 20. Promotion and Relegation

The league structure will be decided after teams have registered and payment received at the pre-season meeting. Every effort will be made to maximise quantity of games for each division

21. It is the responsibility of the home team to provide a correctly and clearly marked pitch, as mapped out in the Rounders England rules. The backstop line, and run-on lines, must be marked.

If a team has a specific problem with their pitch at any time during the season, they must endeavour to settle these problems with their pitch providers. They may however call on the committee for assistance. Any new team entering the league must have their pitch inspected by the committee prior to the season starting.

22. In the event of a change of venue it is the responsibility of the home team to contact their opponents. We recommend this is done by telephone, NOT text. If the opposing team have not acknowledged the text, the home team must call to confirm the venue change. If the team are unsure of the location of the new ground, it is their responsibility to contact the home team.
23. All teams MUST be represented at the AGM. A fine of £5 will be charged for non-attendance
24. Teams must provide a competent umpire, who has attended an umpire course provided by the league or a Rounders England Umpire course, and passed the 2020 Rounders Refresher Questionnaire. If a team cannot provide an umpire that team will forfeit the game. All umpires must abide by the Umpires Code of Practice and have their umpires card available when umpiring. Using an unregistered Umpire will result in the game being forfeit and 3 points deducted. In the case of a Cup/Plate match, the game will be awarded to the opponents.
25. A maximum of 2 different umpires may be used per team, per game.
26. Each teams umpire must be available to be called upon for neutral umpire duties, if required by the committee.
27. The dates of the cup and plate final will be set at the pre-season meeting, by the committee, and cannot be changed without the agreement of the committee.
28. All contact with the committee must be made in writing either via email or post. Text message or other media messaging is not accepted unless stated.
29. The Somervale Ladies Rounders League has now adopted the Rounders England “second post rule” and rounders will continue to be scored in the usual way. This will be reviewed at the AGM in 2023.
30. Presentation Night trophies must be returned on or before the mid-season meeting. Failure to do so will result in a 3 point deduction and may result in a fine to cover the cost of replacement trophies (See rule 9). Lost trophies will need to be replaced and so a charge of £50 will be levied. Teams are not obliged to take trophies home and may return them to the trophy manager at the presentation night.
- 31. THE COMMITTEE SHALL HAVE THE POWER TO DEAL WITH ANY MATTERS NOT GOVERNED BY THESE RULES AND THE CONSTITUTION.**

**THE COMMITTEES DECISION IS FINAL**

**Knock-Out Cup/Plate Competition Rules**

- League rules as per the S.L.R.L handbook will apply with the exception of the following.

1. Participating teams will be drawn at random to ascertain which teams play each other in both the preliminary round and then the following rounds of the Cup & Plate. Draws will be arranged by the knockout cup organisers and will be conducted in the presence of independent witnesses.
2. Neutral umpires will be provided for the Cup & Plate finals.
3. The finals of the cup and plate competitions will take place at neutral pitches, set by the organisers. The date of the finals will be set at the pre-season meeting and is not negotiable. These dates cannot be re-arranged other than due to bad weather.
4. After the preliminary round, winning teams will be entered into the cup competition; losing teams will be entered into the plate competition.
5. Results must be text to the cup organiser at the end of your match. Both team captains to send results. Failure to do so will result in a £5 fine and could also result in the disqualification of the team, from the competition.
6. The match will consist of two innings, per side, of 30 good balls
7. In the event of a tie after the two innings per side, an extra 9 good balls per side are to be played. If a result is still not achieved, a further 9 good balls per side are to be played. This process of additional sets of 9 good balls should continue to be repeated until a result is achieved or bad light stops play. If a result is still not achieved, the match is to be replayed the following Monday (or Tuesday if the Monday falls on a bank holiday).
8. The dates of rounds and games cannot be changed for any reason other than bad weather. League rules with regards to postponed matches apply (see rule 8 of league rules) with the exception that should the weather continue to be bad on subsequent rearranged matches, and the match has not been played by the Thursday prior to the next round, the game will be decided by the toss of a coin (excluding the finals, see rule 9). This will take place with 2 committee members not associated with the teams, and team members being present as witnesses.
9. In the case of bad weather, Cup & Plate finals will be rearranged by the committee. Any team unable to play the cup/plate final will forfeit the game. The forfeited team will then be replaced in the final by the team they beat in the semi-finals.
10. If a match is halted for any reason other than bad weather, any resulting decision made by the committee is final.
11. All cup and plate matches MUST take priority over any rescheduled league games.
12. Any registered league team can have their umpire called upon by the cup organiser to undertake neutral umpiring duties; the team must comply to the best of their ability.
13. THE COMMITTEE SHALL HAVE THE POWER TO DEAL WITH ANY MATTERS NOT GOVERNED BY THESE RULES AND THE CONSTITUTION.

#### Note 1.

Umpires. Since it is difficult to determine competence, if there is any question in this regard, the decision will lie with the committee and determined relevant to the level of the games being played. It must also be understood that new umpires must be given time to learn the application of the rules. Established umpires should work closely with new umpires when they are in charge of a match.

NB Umpires can now be a player who has at least 2 years of playing, and be encouraged to complete a questionnaire and have access to a rule book. Experienced players and umpires should encourage and help them when possible. Any obvious errors should be brought to their attention at the next dead ball situation during the match.

If you feel that an umpire is not competent, you must report the fact to the Umpire Coordinator, in writing, who in turn will raise the matter with the committee. It must however be noted that the committee will never change the decision that an umpire may have made during a match. The committee will however take action, where necessary, to provide additional help and support to the umpire concerned, to improve their ability to umpire matches.

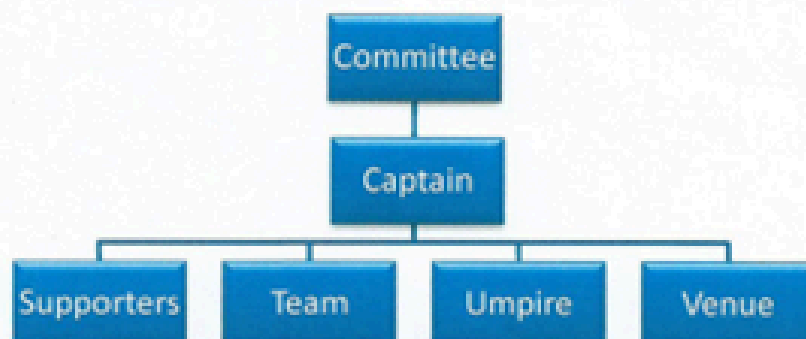

#### Note 2.

The league provides public liability insurance covering all teams in the league. It is essential that all teams are registered appropriately, and any new team members should be notified to the webmaster. Players should refrain from playing until registration is confirmed by the webmaster. Public Liability Insurance does NOT cover any form of personal injury to players or officials. It is strongly recommended that teams and/or individuals make their own arrangements for personal injury cover.

# Spectators Code of Practice

All spectators should endeavour to meet these behavioural requirements when at an event, including games, training and recreational sessions. It is understood that there will be consequences for spectators who behave in an unacceptable manner which could include the spectator being asked to leave, and in extreme cases, where the spectator acts in a violent or unlawful way, the police may be informed.

Rounders spectators should:

- Applaud participants efforts as well as success, in particular during games involving young players
  - Accept and respect all decisions made by the umpires, without question
  - Remain in designated areas and not disrupt the players or pitch at any time
  - Be respectful to all players from both teams
- Not criticise, offend or insult other people or use any abusive actions or language towards any other person
- Never make any negative comments or actions towards any individual or group regarding their race, gender, age, religion, disability, sexual orientation, social background or culture.

Rounders spectators have the right to:

- Enjoy and view a match without interruption or rude behaviour from other members of the public
- Support their team without abusive behaviour from the opposing team or its supporters
- Trust that the umpire will make fair and unbiased decisions

It is the responsibility of the team captain to ensure that their supporters and spectators are made aware of the Spectators Code of Practice and that unsporting behaviour can be dealt with by the umpires.

# Umpires Code of Practice

The integrity of Rounders is embodied in the umpire in whom trust is placed to ensure the game is played by the rules. This Code of Practice is a reminder to umpires of their obligation to maintain fair play and to give both teams the chance to win on merit, by applying the rules in a fair and consistent manner.

All Somervale Ladies Rounders League umpires should work towards the following Code of Practice. S.L.R.L support the Rounders England Safeguarding policies and procedures and encourage all umpires to be familiar with these guidelines (see [www.roundersengland.co.uk](http://www.roundersengland.co.uk))

Umpires should:

- Always have regard for the health and safety of all participants
- Realise that, as an umpire, you have a position of trust, particularly when working with young people, therefore you should always be a positive role model, promote ethical principles and fair play.
  - Be the third team on the field and shall remain neutral, working together.
- Always have regard for the best interests of the game and shall not circulate by any means (verbal comment, written and published articles, internet forums, blogs, social networking sites) material which may be detrimental to the league or its members.
  - Present a professional image at all times such as appropriate dress, timekeeping etc
- Not use inappropriate behaviour whilst on duty such as smoking, drinking, use of recreational drugs, inappropriate language or unsporting conduct.
  - Make a clear warning to players when they use abusive or inappropriate language or behaviour
- Only use the unsporting conduct rule if you have already warned the player or the team - the exception to this is gross misconduct e.g. violence
  - Not show any favour towards any team or player and adhere to the Rounders England bribery policy
    - Not pass comment on the quality of play or make coaching comments
  - Have access to a telephone for immediate contact to emergency services if required.
- Be aware that Rounders England, and Somervale Ladies Rounders league, takes its commitment to safeguarding children and young people very seriously. As your position may involve substantial contact with young people, you are asked to pay particular attention to the Safeguarding and Equality Policies as found at [www.roundersengland.co.uk](http://www.roundersengland.co.uk)
  - Ensure that all participants and players are treated with respect and as equals regardless of race, gender, age, religion, disability, sexual orientation, social background or culture.

**Any person umpiring a league, cup or plate game in the Somervale Ladies Rounders League will be deemed to have read and agreed to the terms as listed above. All Umpires MUST have had at least 2 years experience of playing and completed the 2020 Rounders Refresher Questionnaire. Approved umpires will then be listed on the website under Umpires.**

13

This Code is in place to ensure the safety of both the individual umpires, and anyone they come in to contact with. If at any time you have any concerns regarding the safety of any individual, in particular children and young people, you should contact your divisional representative without delay. Alternatively you may write to the League.
